Wild Mantra Review

Wild Mantra slot is a LeoVegas exclusive from Yggdrasil, and it was

launched

16th of May 2024. The game is set high up in the H

imalayan mountains, and the

reels are sideways spinning prayer wheels typical for the T

ibetan culture. It's a very

harmonious setting, and the game is rather peaceful also when it comes

to

volatility.

The game comes with 5 reels, 4 rows and 25 ways to win, and

you can play

across all devices with bets ranging from 10p to £125.

Central to the game is the

Mantra Re-spins feature, where you land stacked wilds and g

et re-spins where the wilds

will nudge if you land more during the spins. There is also the free s

pins feature

where wilds that landed on the triggering spin become sticky.

We've learned that the

game was originally supposed to be called Prayer Wheels,

but Yggdrasil dropped this,

probably because the religious connotations would be too obvious and i

n your face.

Either way, the majestic view and harmonious music will put

you in a meditative state

for sure, and spinning prayer wheels might not be the worst

thing to do if you want to

win big.

The Return to Player (RTP) percentage on Wild Mantra is 96.3

%, and this does

not really stick out from most other slots out there. Please also

note that this is a

medium variance game, and you can therefore expect decent payouts once

in a while, but

nothing too massive. The potential is not huge, but you can

still pocket 1000x your

stake on this game.

What symbols are there?

The symbols on Wild Mantra are tibetan

prayer wheel signs, and all the higher value symbols pay the same, #1

as does the low

value card suit symbols. You need between 3 and 5 matching symbols on

a payline in

order to win.
