<p>Age of War is a classic Tower Defense game that was originally made in Flash in 🍇 2007. In this game, you command an army from their humble beginnings in the Stone Age all the way to 🍇 the Future Age. You can choose which units to buy and once they're summoned, they will fight the enemies coming 🍇 from the other camp. Every enemy you defeat will give you Experience and Gold. You can use the gold you 🍇 earn to get more troops. Earn enough experience, and you will be able to advance to the next age - which 🍇 means better units and better towers! Be sure to use your Special attack when you're in a bind - they're 🍇 powerful attacks that can wipe out the enemy in one go! Can you fight your way through history?</p>
