

jogo medusa blaze

According to the first, the blazer was born in 1837, when the Captain of the British HMS Blazer, on the occasion of the visit of Queen Victoria, decided to dress his crew with a new uniform: a blue navy outerwear of heavy fabric, double-breasted with gold buttons. The Blazer: the brief history and how to style it - Eduardo de Simon

But its home is, and always will be found in British Rowing. The History Of The Blazer - Collier & Robinson
