Sherman's Hammer. This act banned trust, and monopolistic combinations that placed unreasonable restrictions on interstate and international trade. The act was the first to give the federal government the power to shatter big companies into smaller ones. A History of U.S. Monopolies, Investopedia. In the 19th century, the rise of trusts and monopolies led to the passage of the Sherman Antitrust Act in 1890. This act was a landmark in American history, as it established the federal government's authority to regulate interstate commerce and to prevent the formation of trusts and monopolies that could harm the public interest. The act was a response to the growing power of large corporations and the need for a federal agency to enforce antitrust laws. The Sherman Act is still in effect today and is a key part of the federal government's antitrust policy.

calls intoxicant, the work of Satan and tells believers to avoid them. Additionally, many scholars cite sayings from Prophet Muhammad and the negative effects that alcohol can have. Can Muslim's drink? Islam's ban on alcohol and how it is applied. Applied and discussed in various contexts.
